

IT'S HERE AGAIN! COME ONE, COME ALL!
IT'S A CARNIVAL OF HEALTH AND FUN

Stall Holder Invitation

Strong Aboriginal Children's Health Expo **Come and join the fun!!**

Our theme this year is: Carnival of Health and Fun

The Expo is an opportunity for your service to engage with Aboriginal children and families as well as other service providers in a one-stop-shop-event.

A Carnival Boulevard activity will be organised for Aboriginal families to participate in. This activity aims to encourage all participants to visit each stall and engage with each service either through an activity, information and/or giveaways.

Please be as interactive as possible!

***Over 400 community members came through the doors at last year's event.
Please note this event is child focused.***
