

The Mentor Project

Works with Nunga families in which there are Problems with Alcohol or other drugs

The project aims to:

- Work with the Elders or
- other key members within the families,

By providing support
Information and training

Any Aboriginal family living In

Murray Bridge,

Tailem Bend,

Meningie,

Raukkan,

and surrounding areas

is welcome to use the project.

Any individual or organisation

is welcome

to tell people about the service.

The Mentor Project Steering Committee is made by Representatives of:
